

On May 19th, approximately 150 people gathered at Clyde FUMC to support World Vision's efforts to provide lasting clean water to children in developing countries. This includes 120 registered walkers/runners, Clyde FUMC volunteers, Citizens EMS, The Clyde Boy Scouts and the Clyde Police Department. Our community provided over 120 children with lasting clean water. It was a beautiful, life-saving morning. This was Clyde FUMC's second year to host the Global 6K for Water and we are already making plans for our third year! We would love to have you join us and support this beautiful cause.

Youth News

We have a lot to reflect on as we finish up a great school year at First United Methodist Youth! This year was about transition and relationships, prayer and service. Our youth joined Love and Care ministries for 9 Street Feeds, helped the new Boys and Girls Club move mountains of rubble, and raked and bagged over 24 bags of leaves at the Haven. The hearts these youth have for service and for our community are incredible. Because of this, we have decided to once again stay local this summer for our summer Mission Week.

This year's Mission Week will be held July 16-20th, and will be multi-faceted. The youth group will be assisting with VBS in the mornings, and then serving our community with different projects in the afternoons. We are hoping to get every member of our church involved in some way this year! We will be sharing more about this mission and ways to get involved during church, and sending sign-ups around in your Sunday school classes. We are looking forward to exploring all of the ways in which we are called to serve in our church and community, and then to continue that momentum as we enter the 2018-2019 school year.

Thank you for your continued support. As always, if you have any questions, suggestions, or feel God is nudging you to get more involved with our youth group, please contact Erin at (210) 383-7700 or email youth@clydefumc.org.

Music Ministry

Summer is Here!

The kids are out of school, everyone's ready for that vacation, family time and special events are things we all will be looking forward to!

The same is true for the worship of the Church in the summer months. While the Sanctuary Choir and Handbell Choir take their break, we will still have some great music planned for service in June and July.

Special choirs, small groups, instrumental ensembles - the options and opportunities abound!

If you or someone you know would like an opportunity to do some Special Music this summer, send us an email at...

Music@clydefumc.org

...or come by the church and have a conversation with one of us.

If you're not the kind of person that wants to perform, you'll still be provided with some great music coming soon. Get excited!
